

# Bug Report

Project: DemoQA

Project QA: Aracelli Novaes

**Title:** Date of Birth field accepts today's date and future dates

**Environment:**

- **OS:** Windows 10
- **Browser:** Chrome

**Steps to Reproduce:**

1. Go to DemoQA Practice Form (<https://demoqa.com/automation-practice-form>).
2. In the Date of Birth field, select today's date or a future date.
3. Fill the other fields.
4. Submit the form.

**Expected Result:**

The system should prevent selecting today's date or any future dates as a valid date of birth. An error message should be displayed.

**Actual Result:**

The system accepts today's date and future dates without any validation or error message.
